Objective

To conceptualize successful entertainment advertising campaigns that are relevant and will strongly impact the public, then bring those concepts to life, whether through creative direction, design, and/or music, because "what you don't see is what you get" (Gordon Mackenzie, *Orbiting the Giant Hairball*).

Experience

Bramblett Group Marketing, Advertising, and Public Relations July 2015 – Present

Working for a local advertising agency in a wide array of creative areas, including photo development, print design, video editing, motion graphics, and web development.

Graphic Design Teaching Assistant – Freed-Hardeman University Aug. 2015 – Dec. 2016

Was a Teaching Assistant for the following courses through lectures, demonstrations, S.I. sessions, and critiques: Digital Graphics Fundamentals (Fall 2015), Graphic Design I (Spring 2016), Graphic Design II (Fall 2016).

Dark Horse Studios Project Sept. 2016 – April 2017

Wrote two original songs with two other students and had them recorded at Dark Horse Studios in Franklin, TN. Currently in post-production.

Marching Band Brass Instructor – Chester County High School June 2016 – Nov. 2016

Assisted with instructing the band in music and marching technique. This included musical direction in brass sectionals and full band rehearsals as well as drill corrections in practices, football games, and competitions.

Aflac – Associate Producer June 2014 – Aug. 2014

Was a state-licensed business-to-business insurance producer for Aflac Supplemental Insurance in the Carolinas.

Education

Planned Pursuit of an M.F.A.

Currently planning on attaining a terminal degree in Motion Graphics from SCAD.

B.A. – Freed-Hardeman University Aug. 2013 – Dec. 2016

Received a Bachelors of Art with an Emphasis in Graphic Design.
Also received a Minor in Digital Music Production.
