Objective

To conceptualize successful entertainment advertising campaigns that are relevant and will strongly impact the public, then bring those concepts to life through music, because "what you don't see is what you get" (Gordon Mackenzie, *Orbiting the Giant Hairball*).

Experience

Dark Horse Studios Collaborative Songwriting

Sept. 2016 – May 2017

Wrote two original songs with two other students and had them recorded at Dark Horse Studios in Franklin, TN. Currently in post-production.

"To Protect and Serve" Project

January 2017

Composed an original band piece called "To Protect and Serve" and lead the Chester County High School Band in rehearsing it.

Marching Band Brass Instructor – Chester County High School

June 2016 – Nov. 2016

Assisted with instructing the band in music and marching technique. This included musical direction in brass sectionals and full band rehearsals as well as drill corrections in practices, football games, and competitions.

"Emotions" Album

April 2014

Individually composed an original orchestral album and had it digitally distributed to become available for public purchase. It is still being streamed to this day.

"2023" Score – TSA Club Short Film

Sept. 2012 – Nov. 2012

Composed an original score for an original short film called "2023". The short film won first place for the Technical Student Association (TSA) Regional and State competitions.

Education

Planned Pursuit of an M.F.A.

Currently planning on attaining a terminal degree in Music Composition from Academy of Art University.

B.A. – Freed-Hardeman University

Aug. 2013 – Dec. 2016

Received a Bachelors of Art with an Emphasis in Graphic Design. Also received a Minor in Digital Music Production.
